Webinar: The Benefits of the EURAXESS Portal for Researchers

After a short introduction of the EURAXESS portal, the lecturer will focus on how researchers can use the portal as well as benefit from it.

**Date and time:** 12 February 2021, 10-11 am

**Target group:** Researchers in Sweden of all stages and any supporting staff interested in the topic.

**Brief description of the webinar:** At this webinar you will get information about the EURAXESS portal as a resource to finding jobs, fellowships and hosting opportunities, how to create an account and publish your cv. You will learn about what practical information there is on living and working as a researcher in Europe and what resources there are on the portal for career development.

**Lecturer/speaker:** Vitaliy Bondarenko, who has been working at the DLR Project Management Agency since 2015. Currently, he is a member of the German National Contact Points for the Marie Skłodowska-Curie Actions (MSCA) and the European Research Council (ERC). In addition, Mr. Bondarenko is the coordinator of the German EURAXESS-Network.
